Dress Rehearsal - Programs - Costume Information - And More!

Parking Lot Safety

We've noticed an increased number of cars parking on the sides of the driveway. Please make sure to always leave room for passing cars, and keep an eye out for dancers crossing the parking lot and driveway! There is additional parking in the rear of the building.

In some parts of Africa, dancers perform on stilts up to six feet high. Their dance symbolizes that the key to human wisdom is finding the right balance.
